Letter from the Board

On Friday, August 19th, HOOF held our 5th annual sporting clay event and welcomed special guests and 2011 HOOF recipients Brittney Thomason and Michaela Yandell along with their families. We want to thank all of them for joining us to celebrate our 5th Anniversary and for working so hard

during the day!

The tournament was another success thanks to all of the sponsors, participants, and volunteers. All of you make this event happen and we appreciate your continued support. All of your efforts are for Brittney, Michaela, and other students in similar situations.

Your generosity goes a long way in these students lives.

As always, HOOF sincerely thanks you for your continued support!

Check our web site www.HOOFinfo.org for the latest news and updates.
